

MISSION STATEMENT

Mountain/Laurel Group is a seasoned, specialty contracting company providing superior value to the customers it serves.

Our commitment is to the highest standards in all aspects of the business including: safety, customer service, quality workmanship, production, cost management, and individual and company integrity. We are the premier supplier in our market area.

We are dedicated to the everlasting process of improving our Company and ourselves.

The primary financial goal is long term profit performance. We make money honestly by serving customers who appreciate the principles and mission of our Company.

We build strong, long term relationships with our customers based on respect and concern for their interests. Customers trust us.

We accept responsibility for being experts in our specialties.

Our success is because of our people. We provide an opportunity for people to develop, perform, and grow. Company values allow them to be proud of their organization.

Customers buying from us are getting extra value because of our dedication to excellence.
